January 30th, 2022,

Case [REDACTED]

0647. Scribe o/s @ NCRCC w I/C Rheume.
0706 from RCMP - trucks noticed heading to Sussex
earlier overnight - snowed over so not fresh -
just an FYI at this time.
- 0711 truckers got around Staker / Kent : Albert / Kent
is now blocked. (Email from Pat Frost by Lucas).
- 0755 Paramedic (Marciano) requesting OPS detail
w their teams at check points for safety
reasons. I/C advising will assess resources
and see if feasible. If safety is jeopardized
will pull any OPS - even traffic detail
if need be to assist paramedics asap.
0804. PLT to talk to convoy captains and gather
intel to find way to facilitate those
who want leave - tasked from IC to Sgt
Kennedy.
- 0813 Vels driving trying to block Wellington / Lyon
traffic units x2 there now dealing w it.
- 0831 Sit rep. next one @ 1100 hrs.
- 0846 50 resources from OPP staged at Kanata Detachment
will need to put strategic/logistic
plan on getting them to downtown
core. if/when needed.

0917

1019

0922

[REDACTED]

0928

attempts to plan egress strategy to have one convoy leave at a time.

1017

started 0930 hrs NCROC / osite Ctr / Com Ctr / SCC / OPS Liaison EOC review of current state / mitigating future staffing issues and future state planning for continuity.

1020

Com Ctr advising of call & service [REDACTED]

Kevin Kennedy sending QRT's to assess Com. Ctr attempting to contact property management for clean up ASAP.

(spoke to SMGR1 - tie ten Que).

0229.

Cst Ctr coordinating w/ Convay leads as there is no cooperation within convoys - will coordinate how they leave in a safe manner - might have to wait but its to alleviate congestion.

Still other big rigs coming. Vels in stacked areas that want to leave we will not coordinate - their leads will have to.

1392

033

Hall ((traffic)) advising Vels @ Booth / Wellington revving engines and want

to go through barricades - URT / CRT
